

## Century Tech

You can use Century Tech to work on core subjects including Maths, English and Science. Your teacher will have created a unique pathway for you to follow.

There is also a user guide available on the school website

Visit: <https://www.century.tech>

Century tech can be used most effectively on tablets and desktop computers.

Your username and password should be the same as the one you use in school to log on to the network

## BBC Bitesize

<https://www.bbc.co.uk/bitesize>

BBC Bitesize provides revision activities on a range of subjects. You can read through information about key ideas, and have a go at little activities and quizzes to test your knowledge and understanding.

Just be aware that all exam boards are slightly different and so there may be topics that you don't need for your exam - if in doubt, ask!

## Seneca

Seneca provides revision activities on a range of different topics and areas. You will need to set up your own account to use it.

### Mathswatch

Mathswatch is a maths learning platform which you can use anywhere

<https://vle.mathswatch.co.uk/vle/>

Username: first initial surname followed by @ttapa

eg JBloggs@ttapa

Password: 3towers

### My Maths

You may well have used My Maths in your Maths lessons, but you can also use it to work independently:

Visit:

[www.mymaths.co.uk](http://www.mymaths.co.uk)

The username is: threetowers

The password is:

Circle

If you have an individual Log in, you can log into this too.

Why not have a go at the 'booster' resources at your level and some of the games!

iDea

Why don't you have a go at this digital enterprise scheme that you can do online - register yourself. It is really easy to do and you get a certificate and record achievement too.
